# CRAFTSMAN<sup>®</sup>

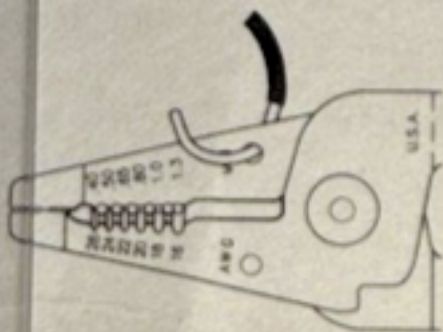

## How To Use

1. Cut wire ... extra long blade provides maximum cutting performance and long life.

2. Strip wire ... insert wire into stripping area, close tool completely and pull wire.

3. Loop solid wire quickly and easily using built-in looping holes.

**NOT DESIGNED OR INTENDED TO CUT STEEL WIRE**

### CRAFTSMAN HAND TOOL FULL WARRANTY

If this Craftsman hand tool ever fails to provide complete satisfaction, return it to any Sears store or other Craftsman outlet in the United States for free repair or replacement. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

**Sears, Roebuck and Co., Hoffman Estates, IL 60179**

### CAUTION

Shut off power before working on a circuit. Use approved materials and

conform to all electrical codes. Plastic dipped or slip-on handles are not intended for protection against electrical shock. Always wear safety glasses or goggles when using this tool. Failure to obey safety instructions and warnings can result in injury or death.
